ELLE & ZOE & AIDEN

Stuck on each other

Everything was prepared for Zoe's evening with Elle and Aiden, now all she needs do is wait. Before long a knock came at the door and two unsuspecting faces were beaming behind it. As they enter, they drop the façade of innocence and begin to ravage their hostess with kisses and little bites. Her long sensual moans only spur them on.

THE MAN CAVE

ROLE-PLAYING GAMES

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

My friends and I love to play role-playing games. There's just something about taking on a new persona and letting the dice decide fate that has always spoken to me. Well, a few weeks ago, the dice took an… unexpected turn.

Our group was approaching a town after a long and unusually challenging journey. The convention lasted longer than we all had planned. After the after-parties, we were still dressed in our cos play costumes and since we were the last to leave. One of the guys spotted a motor inn, and since it was late, all we wanted to do was rest. But there was a problem in that the inn didn't have enough rooms for everyone, and a couple rooms need to be readied. That left four of us without rooms yet as the others went off to theirs. So we set ourselves up in a small conference room and set out a board game.

Players quickly started to pair up their characters, and before I knew it, there was one more room available

for me and this new player in our group. That was where we wrapped up the game, but the new player stayed back waiting for everyone else to leave.

I actually thought she left with the others when I turned back to start clearing the table, to find her still sitting there, patiently waiting for me with a sinful smile. Since this was her first game, this was the first time I'd really had time alone with her. And that smile…

It almost instantaneously drew me in, and I started to let my eyes wander. She had a beautiful, sexy face with light brown hair that came down to her shoulders in playful, wispy curls. Wire-rim glasses framed her face, although they weren't real lenses in the frames, they set her eyes off magically. I was still in my black wizard's robe. I shook my head clear and started cleaning up and chatting with her.

She said she had discovered role-playing games her junior year in college. Her male roomie was deep into them. She said she wanted to hook up with him, but it seemed his interest was more in games than in her. So she decided to tag along a few times and, surprisingly for her, she actually got into it.

That was when she told me, or rather showed me, just how seriously she took her role play. Remaining in the character of a haughty private school girl, she came at me as though I was the wry, stern professor I was playing. She was so forward that it took me a minute to figure out what she was doing, and by then, she already had her lips locked on mine.

And next to me, I heard the sound of dice rolling across the table. She pulled away from the kiss just long enough to glance at the result and telling me she was a little tipsy. Her wicked smile returned as she started leading me down the hall towards the room, taking the dice with her.

She threw me down on the bed and demanded that I start to get undressed, rolling the dice to tell me that I should start with my pants. I let myself slip into character, who if he was getting it this easily, wouldn't have stopped either. And as she mirrored my movements, moving toward her own waistband, I knew I hadn't made a mistake. Still, I let her take the lead since I had no idea what her rolls meant, but each one brought a new form to her twisted, noble smile.

And the first roll found her on her knees, worshiping my cock through my black boxers. She started with her hands and fingers and found ways to trace just around the bands…

And the first roll found her on her knees, worshiping my cock through my black boxers. She started with her hands and fingers and found ways to trace just around the bands, then bring her fingertips up so she just barely

avoided touching my hard cock and heavy balls.

That was until my dick started poking out through my underwear and robe. When she grabbed my sack and gave it a tug, that sent an electric surge racing through my body as my cock throbbed and suddenly found itself deep in her mouth!

There was no other word for it; she was amazing. Each time she rolled the dice, she found a new position, and she did it with such grace and cunning, most of the time I didn't realize that she had moved until she already had me. First it was a standing doggie where I pumped her wet hole and forced a huge smile on her face.

She flipped on her back on the only chair in the room and I quickly entered her pussy. Her top had opened up and for the first time I saw her amazing, and quite large, boobs. They were spectacular. The nipples were perfect and she started caressing them as I jammed my fleshy wizard's pole into her.

We fucked like this for a while, but the costumes were getting quite restrictive. We decided to take a quick break for a minute. Then the rest of our clothes came off quickly, and she had me pinned down as she let her tongue slither up and down my toned frame. Then, she managed to flip around so that we were 69ing.

She teased and toyed with me, each time, claiming it was the dice deciding, until I finally decided to roll. When I did, she paused and looked up at me with a teasing, taunting smile. She didn't do anything with the number and just waited for me. Which was when she told me that she had been making up the rolls all night, so since I rolled, it was up to me what I wanted. My, oh, my, what do I want.

I eyed her for a minute, matching her wicked grin, before I picked her up by her long, lovely legs that quickly wrapped around me. I carried her to the wall and pressed her up against it as I slid my dick inside. She let out a loud scream of pleasure as I started to have my roguish way with her, pounding deep and hard. He screams quickly matched my thrusts and she took advantage of how much she'd already primed me.

We decided to take a quick break for a minute. Then the rest of our clothes came off quickly, and she had me pinned down as she let her tongue slither up and down my toned frame.

I threw her into different positions back on the bed; missionary, doggie, spread eagle, front and back before I finally blasted across her round chest, painting her nipples and boobs with my juice. And as I lay there recovering, she didn't waste any time in reminding me that we were sharing the room for the night. My dick didn't need much more encouragement and was quickly ready for another round. Or four.

Spoiling you - spoiling me.

After a whole day of shopping for sexy new panties, Dani and Vanessa are about to unleash their hot bodies. With such lovely curves, there's very little parading before they're buck naked. They press their perky boobs against each other; long fingers caress the quivering lips of their excited pussies. Wet tongues slip in and make them squirm.

CELESTE & SINN

Anything but resting

It's been a long week and Celeste needs a distraction. Sinn doesn't even let her get out of bed before she has her lips clamped on Celeste's nipple. She grinds her luscious hips into Celeste to really get her going. Her legs are separated by Sinn's seductive tongue. With little effort, Celeste is cumming and crying out in a fit of passion.

FANTASY SEX

After high school, I went to college and got my degree in nursing. It was a lot of work, but it paid off and I did well. I didn't have a lot of time for men then, and my sexual appetite reduced. I still love sex, but now I go for quality, not quantity. After college, I worked as a nurse in a hospital for a while before landing my present job at a medical clinic. This is where I met Lee.. He's a doctor, about 38, over 6 feet tall, dark hair, and very handsome. He's everything a woman could want, smart, funny, and a real hunk.

Anyway, we both work the late shift, from five to ten, when the clinic closes. Past nine o'clock, the place usually gets pretty dead. As a result, there aren't to many people working past eight. About a week ago, we were alone at closing time. The other doctor left early, and the senior nurse asked if I would help Lee. Of course I accepted. Who wouldn't want to be alone with a handsome doctor. Sure enough, after we had locked the doors and shut the place down, Lee started making passes and flirting. I responded enthusiastically. He wrapped his arms around me and kissed me so passionately, my knees almost went out.

Within minutes, we were naked on an examination table doing a 69, with me on top. His cock was just like the rest of him, tall, strong and handsome. I hungrily sucked on it as he licked my clit. In about five minutes, I felt myself about to come and started to squirm my ass around and moan. He knew it and really went to work on me. I came really hard, almost screaming while I still pumped on him. When I finished my climax, I moved off of him and continued to work on his cock. He laid back and moaned as my lips move up and down his hard shaft. It only took a couple more minutes before he told me he was about to shoot, and did just that. His come tasted so sweet, I had to swallow every drop. He came so much, I didn't think I could take it all, but I did.

He then started to kiss me all over, paying extra attention to my nipples. Within a few minutes, I was excited again and he was hard.

He then pulled me up to him and rolled me onto my back. He then started to kiss me all over, paying extra attention to my nipples. Within a few minutes, I was excited again and he was hard. He slipped his dick into my wet crotch and started to slowly fuck me. His strokes were slow and smooth. With the passing moments, he moved faster and faster until he was pumping me like a wild animal. I wrapped my legs around his waist, and his manhood penetrated me even deeper. Again I was about to come. He too, was about to come. Our moans mixed together, echoing through the clinic as I felt his hot jism shoot inside me as I released my own climax.

It was almost a week later before we could chance anything again. The other doctor told

BLAIR-NTS-09

Lee he would have to lock up the next night. Getting the other nurse out early was easy enough, since she likes to leave early anyway. So we planned to have another encounter the next night. I wanted to be well rested for a long night tomorrow. The next day I got ready for work and put on my lingerie.

It was a matching set of white lace bra, panties, garter belt and sheer white stockings. Lee was there, and it was hard to work so close with him and not erotically touch him. Finally, ten o'clock came around. When everybody had left, I slipped into the back room, and traded my sneakers for four inch white high heels. I looked like I was about to step into a porno movie about a horny hospital. But I didn't care, I was horny, and felt very sexy.

Well, I went back into the bowels of the clinic and met Lee there. He had shut off most of the lights, and locked the doors. When I walked in, his eyes almost popped out of his head. I stood in the doorway, giving him a very sexy pose, and asked him if he liked what he saw. He eyed me up and down for a moment, then told me yes. I told him that tonight was his night, and I was his to do what he wanted. He told me to come over and sit down on a stool. We use them in the examination rooms for the doctors or family. I did as he asked, crossing one leg over the other, showing the tops of my stocking from under the hem of the uniform.

Before I knew it, I was getting hot between my legs, just waiting for what he was going to do next. After several minutes, he led me over to a recovery bed. He then unzipped my uniform, and let it slide down my body. I wanted to throw my arms around him and screw him on the spot. But I stood at attention as he walked around me looking over my lingerie covered body. He then ordered me to kneel in the center of the bed. I did as he said. He then made me spread my knees apart, but crossed my legs at the ankles. I was slightly uncomfortable, but plenty open and available for whatever he wanted to do. I found myself getting more and more excited. I knew that sooner or later, he would have his pleasure on me and fuck my brains out. The anticipation of when it would happen just made me more excited. He was getting really turned now, for the lump in his pants was growing even bigger.

He then came over to me and slowly caressed my body all over. Then, with a flick of his fingers, he unhitched the hook on the front of my bra and slowly pulled it behind me. My nipples were standing at attention. He played with my tits for some time, holding, caressing, squeezing and pinching them. He took me over to an examination table, and made my lay on my back. He slowly reached up and pulled my soaked panties down my legs.

Lee then pulled the metal leg stirrups we use for examining maternity patients out from the table. He placed my feet into them, my heels through the openings.

The end result was my body was naked except for garter belt, stockings, heels and my nurses hat. My body on the table, my legs were up in the air and spread apart, and my pussy was wide open. He put on a surgical gown and mask, and a pair of rubber gloves. At first, I thought he was going to operate on me or something. But then I realized, I was about to get the most erotic examination of my life. He started with my wet pussy. He inserted a finger and held it there, while slowly playing with my pubic hair. He played it straight, getting me really hot in the process.

After my 'temperature' was taken, he next proceeded to give me a breast exam, listen to my heart beat, then my pussy, which he said was calling for relief. Then finally he decided to probe me. First, he shoved one then two fingers up into my pussy, moving them around and fucking me with them. He then greased up a finger and shoved it up my ass. I felt so wild, especially when he then played with my clit at the same time. I came within a minute,

screaming like I was dying. My muffled scream seemed to please him, and when I had finished, he pulled off the gloves.

Again he probed my clit with his fingers, to find the right spot he said. He then moved down between my legs, pulled his mask down and dove in to eat out my pussy. He started out fast, getting me going. His tongue flicked over my clit and plunged deep into me. He sucked on my clit, and lapped up my juices. Then, just when I was about to come again, he slowed, knowing just how far to push me until I couldn't hold back.

After a minute, he sped up again, getting me back to a climax level and holding me there. Again and again he did this. I thought I was going to die. I moaned and groaned, and the sweat poured from my body. But he just kept doing it. At last, he took pity on me, attacked my swollen clit and brought me off. After having it deprived for so long, I exploded into the most intense orgasm I ever had. I kept coming and coming, while Lee just kept lapping me up.

When I was finally done, and I thought I could take no more, he stopped and let the head of the table down. I laid there for a few minutes, breathing very heavy. He let me rest before we moved on to the final act of his fantasy. Lee helped me from the table and led me back to the recovery bed. There, I laid flat on my back as he went to work. He turned off all the lights and then turned on the examination light that was hovering over me. It cast a single eerie beam of light onto my naked body. I couldn't see a thing outside the shaft of light, while the light didn't leave any of me uncovered.

I couldn't see him, but I knew he was standing there, watching me squirm. It was driving me nuts, for I knew that sooner or later, he would plunge his hard shaft deep into my wanting cunt. I wanted him like I never wanted anyone before. My moans and groans pleaded with him, and my squirming body called out to him. But he still didn't show himself. Just when I couldn't stand it anymore, he appeared in the light, stripped naked, with his hard manhood standing before him. I looked it was bigger that the other times, and it seemed to be pulsating with power. He said not a word, but climbed on the bed, positioned himself over me, and rammed his cock deep into my pussy. I gasped as he slammed it in, then moaned with each hard, fast, deep stroke he plunged into me. He worked like a machine, each stroke was just as hard and deep as the last, with a perfect sexual rhythm.

He pumped like crazy, slamming his hips against mine. I built to a climax, hoping he would explode at the same time. I came hard, and my whole body tensing up with the thrill of my orgasm. Every part of me tingled, from my hands to my feet, especially my well stuffed cunt. It was even better than before. Lee didn't miss a beat. He just continued to ram into me, his hard shaft filling me with each stroke. He continued for a few more minute before I knew he was about to shoot. He made a soft moan, closed his eyes, and gave one final thrust into me, forcing himself in as deep as he could. His hot come shot into me, filling me up with his sweet jism. He pumped in gallons, and just kept coming and coming.

At last, his balls were drained and he slid out of me. He left the shaft of light on me while he recovered. He asked me if I enjoyed his fantasy as much as he did. I truly did, and told him so. To show how much, I pushed him down on the bed and started to suck him off. He was hard instantly, and soon he was shooting another load of jism down my throat. I was allowed to dress again. We talked for a few minutes, and I told him how exciting the night had been.

The next day, Lee and I met before work to talk about the prior night. We talked for about an hour. I told him how much I enjoyed the night before, and that I was curious to explore more about fantasy sex.

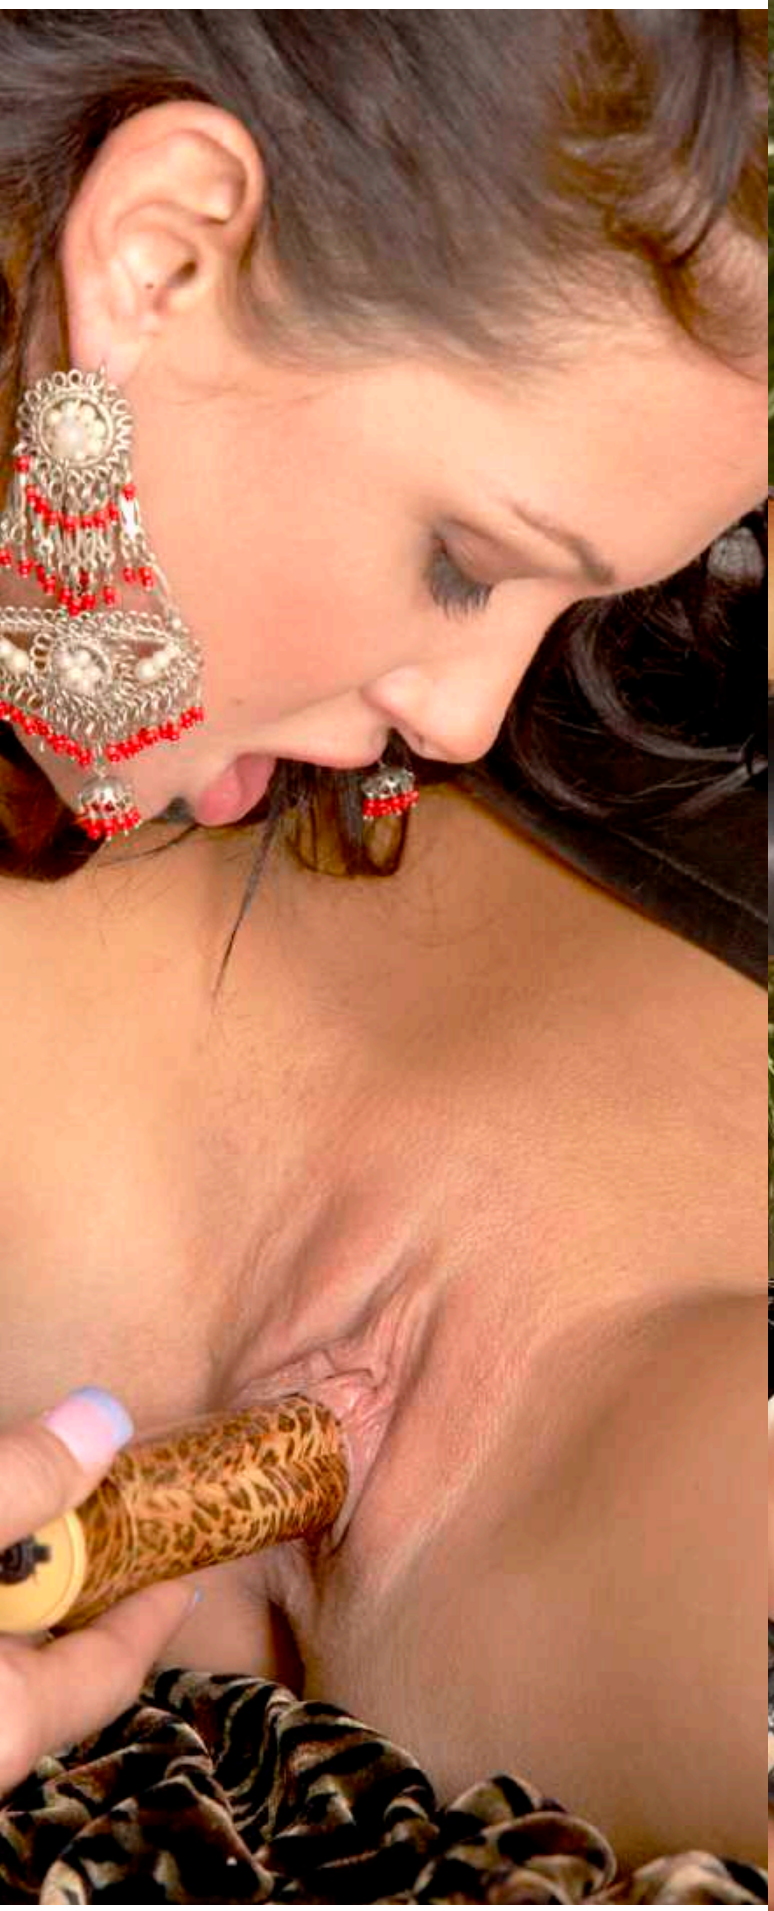
TORY & BROOKLYN

Tory wears the belt

Brooklyn's been going to Tory for sex advice for a while now. But what Brooklyn's been needing isn't answers, it's confidence; and Tory's gonna show her how it's done. With her strap-on equipped, she grabs Brooklyn by her hair, and shows her how to be seductively dominating. Her fingers now explore every wet valley and stiff peak on her body.



THIS GOES INTO YOU QUITE NICELY!
